The pumpkins are coming!

Each year, our youth ministry team fills the front lawn of our church building with pumpkins for a youth missions pumpkin sale fundraiser! This year, the pumpkins are scheduled to arrive on Saturday, October 10th, and we will have opportunities for you and your family to come serve as a pumpkin patch host throughout the month! Stay tuned for more details but be sure to mark your calendars now!

Pumpkin Delivery will begin at 8:30 on 10/10, and **Pumpkin Patch Hosting** shifts are two hours each. Be sure to watch for a registration schedule to sign up for your spot!

Summer 2020 Reflections

The summer of 2020 is not one that I will soon forget. So many plans had to be altered or outright canceled. And yet, in the midst of a global pandemic, our students still found ways of connecting with God's redemptive work in our world. Our teens got creative about meeting outside for some fun in the sun during our weekly youth group hangouts. And, in place of our typical summer youth missions trip, we had a local mission week right here in Cincinnati! And at the beginning of August, we had the opportunity to celebrate our Confirmation Class of 2020 in a special outdoor worship service!

- This summer, our students participated in a modified mission trip right here in our very own city of Cincinnati! We had teams building ramps, painting homes, weeding gardens, packing care kits, and doing lots of other service works for ministry partners and congregation members alike.

- Even though our Confirmation class routine was interrupted by the pandemic, our students were not deterred from completing their Confirmation requirements and professing their faith in Jesus Christ as they joined our church family.
