MONTHLY NEWSLETTER | CHURCH OF THE SAVIOUR | JULY 2021

Re-Opening the Building

We are moving into a new phase of opening the building. Many things have shifted or changed since you were last here. Please take the time to read some of our adjustments based on the new CDC guidelines.

What to expect at Church of the Saviour:

Reservations are no longer needed for worship: Reservations will no longer be needed for our indoor worship services. Starting this Sunday, we will be implementing a QR Code on our bulletins so you can Tell Us You're Here and submit any Prayer Requests.

Seating in the Sanctuary: You will be allowed to seat yourself at your comfort level.

Masks: Masks are now optional in the building for all fully vaccinated adults, youth, and kids. Per current CDC guidelines, masks will be required for all unvaccinated adults, youth, and kids. Much like the State of Ohio, we will be going on the "Honor System" and thank you for your continued support in following our building guidelines.

Building Hours: The building will be open during office hours (Monday - Thursday from 9:00 am - 4:00 pm) entering at the unlocked Main Office doors. Friday the office and building are closed, but you may request an appointment. The building will be fully open on Sunday's meaning you can enter any door. We ask that you use hand sanitizer upon entering.

Childcare: Our Nursery is now open at 11:00 am on Sundays for children 6 weeks-3 years during our indoor worship service. At this time, the nursery will be staffed by dedicated and caring volunteers.

Gathering Place: At this time our Gathering Place will not be open. We will continue to revisit this as we move through the summer months.

C-mail has been removed: Over the past year, we've worked hard to become a paperless church. We have seen your ability to stay connected and informed using our electronic options and we want to continue to reduce the amount of paper we use. So, moving forward all information will continue to be on the website, in the Newsflash and the electronic Circuit Rider.

We are aware some are unable to access electronic resources and need paper copies sent to their home, if this is you or someone you know, please call Dorothy in the Main Office at 513.791.3142 and she will help you. We are happy to send any and all information to your home via regular mail.

We recognize that in the past c-mail has been used as a drop-off / transfer space, and that's not going away. Instead, we will be creating a designated drop-off / transfer space to be used in lieu of c-mail!

Name Tags: In the fall, we will have an identified space for name tags to be displayed and picked up for use while in the building.

Reserving Rooms: if you have a group who would like to use the space, contact Dorothy (dorothy.stadelmann@cos-umc.org or 513.791.3142) she will help you find a room.

Church of the SAVIOUR UNITED METHODIST

A Note From Pastor Vicki

Greetings Church,

Welcome to summer at Church of the Saviour! I'm looking forward to some exciting days ahead in the month of July! The kids are out of school, the weather is beautiful, and the church is filling up with amazing ministry opportunities!

Thank you to everyone who has returned to in-person Worship, and to those who have continued Worshiping with us Online, I am so thankful for our broad-church community.

Our summer worship is open to everyone! Grab your lawn chair for Contemporary Worship on our front lawn through the rest of the summer on Sundays at 9:30 am. We are gathering for indoor Traditional Worship at 11:00 with an open nursery for infants to 3-year-old children. We are excited to offer our new LIVE STREAM Online Worship available every Sunday at 11:00 am! You can watch by visiting our website and clicking on the LIVE STREAM link or by finding the link in our Newsflash and social media. Our team has been working hard to prepare this opportunity for our congregation. I am so excited to announce the arrival of our LIVE STREAM service this Sunday. Online Worship will also be available any time after 11:00 am for you to watch.

Our current sermon series is called **God in the Everyday**, and we have put together a Daily Devotion | God in the Everyday Touchpoints for you to follow along with us. Please Click Here if you have missed any of these Devotions so you can join us or start from the beginning!

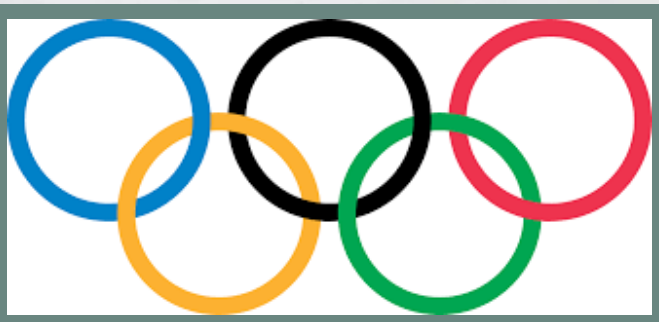
There are so many exciting things happening this summer at Church of the Saviour in all our ministries, and I encourage you to get involved by going on our website and searching the Events and Serve pages.

Our Youth Mission Trip is from July 18-24, Kid's Ministry is hosting B.A.S.I.C Elements every Wednesday, our United Methodist Women's Small Groups are meeting monthly, Small Groups and Bible Studies are forming new groups, and our many Fellowship Groups are meeting on a weekly basis.

It's going to be a busy summer, but after the summer we had last year, I can't wait! See you soon!

In Christ,

Pastor Vicki Robinson



UMW is embarking on a new adventure!

During the summer 2021 Olympics, we are going to GO for the GOLD! We will be collecting items like jewelry, anything gold, silver, bronze or copper even coins and pennies for missions UMW supports. We are going to be outside church on Sundays July 25 and August 1 before, between and after services. We will have a tent outside the crossroads door by the parking lot and a small table by the welcome table for the 9:30 am outdoor service. We hope we can collect some of your gems to resell, recycle or reuse! Interested in helping? Contact Pam Senefeld at maxmuir1@aol.com or Donna Steinmetz at markdonnanathan@hotmail.com.

STEPHEN MINISTRY
20 years of service

Stephen Ministry – New Stephen Ministry Training Class

It is time again for the Stephen Ministry Team to start planning for a new training class this fall. Stephen Ministers are caring, committed Christians, reaching out to hurting individuals on a one on one basis, seeking to help them through a difficult time in their lives. It is a quiet, largely invisible, but incredibly vital and rewarding ministry.

Have you considered whether Stephen Ministry might be right for you? The only pre-requisite is a love of the Lord and a desire to reach out and help. Yes, training is required but there are no grades and you do not have to think about passing or failing the course. The skills included in the training are those which most of us are already familiar. You will get a chance to work on skills like active listening, process versus results, assertiveness, maintaining boundaries, confidentiality, and many other topics. Stephen Ministers understand these skills are very useful in our everyday relationships as well as with our care receivers. Most importantly you will be reminded that God is the "cure giver" and Stephen Ministers are not there to solve problems but simply to help the process.

Perhaps the most wonderful part about being a Stephen Minister is the growth that you experience personally. The fellowship you experience being part of a close group with other caring, committed Christians is very powerful. You find yourself gaining insights and strength from fellow Stephen Ministers and even from your care receiver, the person you are there to help and support.

Its hard to wrap words around the many blessings that can come from serving as a Stephen Minister. There will be a new training class starting this fall. If this is something you feel called to do or would simply like to know more about Stephen Ministry, please visit the Stephen Ministry tab on the COS website → connect → Stephen Ministry, or contact Pastor Vicki 791-3142 ext. 26 or Mary Hoover 702-5642.

Nurturing New Parents Ministry. Are you expecting a baby or did you recently gain a new member to your family, either by birth or adoption? During this important and precious transition in a family, we as a church want to support parents through their journey. **Nurturing New Parents Ministry** aims to serve new parents within the church. If you are a new parent, whether this is your 1st baby or 2nd or 5th, get connected by contacting the church at (513) 791-3142. After notifying the church, the ministry coordinator, Jenny Motley, will reach out to you to establish and schedule a meal train. Church volunteers will deliver 10 delicious home-cooked suppers over 3 weeks. Allow us to take one thing off your plate and bless your family with a meal.

The Amazing Chemistry Show & Family Experience *was a great success as we welcomed close to 200 people into our building in June 12. Thank you to everyone who supported this event through prayer, donations, volunteering, and attending. This event couldn't happen without all of us working together to bring the ministry of chemistry to our church & community. Here are a few pictures from the event:*

If you would like to register for this email distribution, please email our Youth Pastor, Jayk, at jayk.hinze@cos-umc.org

Summer Sunday Series

This summer, all students in grades 7-12 are invited to take part in our Summer Sunday Series from 7-8:30pm on Sunday evenings starting June 6th. This 90 minute gathering will be a relaxed time of fellowship focused around a specific, different activity each week (i.e. arts & crafts, science exploration, etc.). These Sunday evening events will take place at the church building, and we will be outside whenever the weather allows, so students should bring a lawn chair with them when they come!

Youth Summer Missions Week

This summer, all students in grades 7-12 are invited to join us for a week of local missions where we have the chance to serve as the hands and feet of Jesus right here in our own community. We will jumpstart our week in the evening on Sunday, July 18th before launching into a week of intentional service, worship, and fun! During the days, students will serve on work teams accomplishing projects throughout our community, and in the evenings, we will gather for worship, games, food, and more! And for anyone who participated in our local missions week last summer: we've got some special twists for this year, so you won't want to miss out! Stay tuned for additional details about this awesome week of service for our students, and please feel free to reach out to our Youth Pastor, Jayk, at jayk.hinze@cos-umc.org if you have any questions.

Participation in this summer's Youth Missions Week is $50/ person, and there are sponsorships available to help with these costs. You can register yourself (or your students) On This Page!

Back-to-school Kickoff

On Sunday, August 22nd, we are hosting a back-to-school kickoff with ways that parents and students can engage in the fun! First, at 4:30, Jayk and the Youth Ministry Volunteer Team are hosting a parents informational meeting about what to expect for the coming year. Then, at 5:30, we will share a meal together before the students get started with their annual game of slip-n-slide kickball from 6-7!

So far this summer, our students have been exploring their faith through some hands-on, fun-filled events! All students in grades 7-12 are invited to join in on the fun (almost) every Sunday evening this summer!

Helping Hands Ministry

Helping Hands Ministry

"This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God." - 2 Corinthians 9:12

A new ministry is coming to Church of the Saviour called Helping Hands. Helping Hands connects those who need help with those who can help. It's that simple.

If you or someone you know has a need, communicate this need through our Helping Hands page on our church website. It will be received confidentially by church staff and we will establish a way for you to receive help.

In some instances, we will identify needs that can be fulfilled by people within our church community. These needs will be posted on the Helping Hands page of our church website where you can sign-up to volunteer to help. In order to protect the person receiving help, the need will remain anonymous until the connection is made to the person providing help.

Examples of these needs are:

- A meal train sign-up
- Someone to run errands such as shopping
- Help with technology such as how to use Zoom

Some needs are better fulfilled by a service team. These service teams will be organized through a church-wide monthly service day called "Service Saturday". If you are interested in volunteering for a Service Saturday, go to our Helping Hands page of our website for more information or to sign-up.

Examples of work performed on a Service Saturday are:

- Yardwork
- Changing lightbulbs or fire alarm batteries
- Simple home repairs
- Painting

Whether you need help or want to help, Helping Hands is the place to get connected. Get connected to help. Get connected to serving. Get connected to God.

WE NEED VOLUNTEERS IN THE AUDIO/VISUAL MINISTRY

The Audio/Visual Ministry trains and engages volunteers to operate the sound board, video mixer, lighting board, and presentation software for worship. We want people with a sincere desire to serve no matter if you have any previous experience. We provide all the training that you need.

As Church of the Saviour prepares to launch live-stream worship in July, we have a clear need for interested people to join the team. Visit the the AV Tech webpage and point your phone camera at this QR code to view our AV Tech Flipbook. Interested people can contact Nick Stockburger and get scheduled for training today.

UMW-Kroger Community Rewards Program

To join the program, go to www.krogercommunityrewards.com and type XL812 in the search box for the organization you wish to benefit. You should receive a confirmatory email.

United Methodist Women

As I write my last president's article for the July Circuit Rider, I am reflecting on the past four years as president. Lots of memories have been made and so many people in our church, our community and world have been helped through our unit's activities. Lives have been changed! You have all been a part of those life changing experiences….your participation in all things UMW have made it easy for me. So thank you for making my job easier and for helping when I have asked you. Thank you for stepping up, out of your box, spreading your wings and out of your comfort zone. UMW is still growing in members at Church of the Saviour because women want to make a difference here in our neighborhood and the world. Times require we change but we have and we will adapt as needed. The new leadership team will guide us so we welcome Jenny Motley and Karen Van Wagenen as co-presidents! They will take our unit forward and look out for what is in store!

We welcome some new faces to the UMW board and you can find that in this July issue. We thank those UMW officers who roll off of the board as of July 1. So to Joyce Morell and her sister, Barb Butz, thanks for leading us spiritually through your devotions at board meetings and the inspirational email lift me ups. Thank you to Carole Cobb and Ellen Scott for maintaining and updating the membership, outreach and nurture part. Thank you to Pastor Suzanne Allen as she helped our social action committee know about important happenings. Special thanks to Mary Ann Bell for her skills as our treasurer for four years! Thank you to Carole Cobb and Mary Ann Bell for leading successful rummage sales for so many years. They will pass the baton to Donna Steinmetz and to another co-leader to be determined.

I also want to thank Jenny Motley for leading us a vice president this past 8 months and for her stepping into the co-president role. We had really fun virtual gatherings at Christmas and this spring. Special thanks to Melissa Starkweather for volunteering to step into the treasurer role and educating us about UMW around the world. Karen van Wagenen has also been instrumental in our various programs, jumping in and leading them. As co-president, she will continue to be involved. So thank you to all as I couldn't have done my job without all of you!

If you want to be involved as we go and grow forward, contact Leah Hondorf, our nominations chairperson. She would be delighted to hear from you. Be safe and look for more news of how you can become involved in UMW's future at COS!

Pam Senefeld

UMW President

Romans 15:1- 2 "We who are strong ought to bear with the failings of the weak and not to please ourselves. Each of us should please our neighbors for their good, to build them up."

The Mothers and Daughters Group will not be meeting in July. Jennifer and I want to wish everyone a happy summer and enjoy your family time! Looking forward to getting together again later in the summer—Jennifer Ehlers and Pam Senefeld

Susanna Wesley Women in Mission will have a potluck gathering at 6:00pm on Thursday, July 8 at the small shelter in Swaim Park in Montgomery. If you're planning to attend, please bring an appetizer or dessert and your own beverage. RSVP to Sandy King at 513-260-4717.

Lydia Needlecrafters meet the first and third Wednesday of every month at 5:30 pm in a ZOOM meeting. During the quarantine, we have been busy knitting prayer shawls, baby blankets, baby hats and scarves for students leaving foster care.

Many recipients give feedback about how their prayer shawl helped them so much and how appreciative they were about the gift and the effort that went in to creating it. If you know someone in need of God's blessings and warmth, call Donna Steinmetz (513-563-7144), call or text Pam Senefeld (513-314-5042), email Bonnie Nesbit (bonniepnesbitt@hotmail.com), or contact Pastor Vicki at church.

Third Tuesday Morning Hannah Group is seeking volunteers to brainstorm and plan menu, preparation of food, signups for donations and transportation. All hands are needed on board for Meal at the Bethany House on September 21,2021.

Next we will take on leadership for the Gifts from the Heart Program for 2021 so we are asking for more Disciples to do God's work. Thanking you in advance that we are so fortunate to get out & do this after being cooped up for so long. Please contact Dorothy Stadelmann at the church or Euphazine Reid- Kendall at 678-857-8362(c) or 678-340-7003(h).

Welcome back to Children's Closet Collections. For July and August we will be collecting school supplies for Wesley Chapel Mission Center. Many items are needed for Back to School and this can be a cost burden for kids and parents. Some needed items are: pencils, pens, erasers, crayons, markers, paper, pocket folders, glue, scissors, etc. We appreciate your generous donations so much. Thank you, Jean Feldmeyer (Children's Closet Coordinator).
